

DIVERSE CITY

POWERED BY DIVERSITY PROJECT

The Diversity Project - which aims to see equality of opportunity across the investment and savings industry - is working on a series of six events across the UK designed to raise around £2m to support charities who have been affected by the revelations following The President's Club dinner and also to provide more resources for initiatives such as work experience and mentoring which can help boost diversity and inclusion in the profession.

How to get involved in the Diverse City Events

pauliina.lyttinen@thelordmayorsappeal.org
for more information
or to take a table.

PROVIDING A LOT (S) FOR THE AUCTION AT THE LORD MAYOR'S APPEAL DINNER

We would like to be able to create a 'win-win' for the charities and improving diversity in the City through auction items. We will hold a silent and live auction at this Grande Finale event. If you would like to donate a lot, please get in touch. The money raised through the auction will go towards the overall target.

Please contact info@diversityproject.com with ideas/offers or if you have questions.

DIVERSE CITY

POWERED BY DIVERSITY PROJECT

The Investment and Savings profession is working hard to create diverse and inclusive workplaces. There is still much to do but, Diverse City will raise much-needed funds for charity, whilst showing a more modern industry.

Please get involved.
