

Investment Industry Springboard

WHO?

A total of 170 UK university students from less-advantaged socio-economic backgrounds, with aspirations to enter the investment and savings industry

WHAT?

A multi-year programme of professional mentoring work experience and events, supporting undergraduates to secure internships and graduate jobs

**24 (and counting) participating
Diversity Project Supporter
Firms**

**170 professional mentoring
relationships**

**85 work experience placements
for students on Year 1 of the
programme**

**4 virtual events, to build
knowledge and networks**

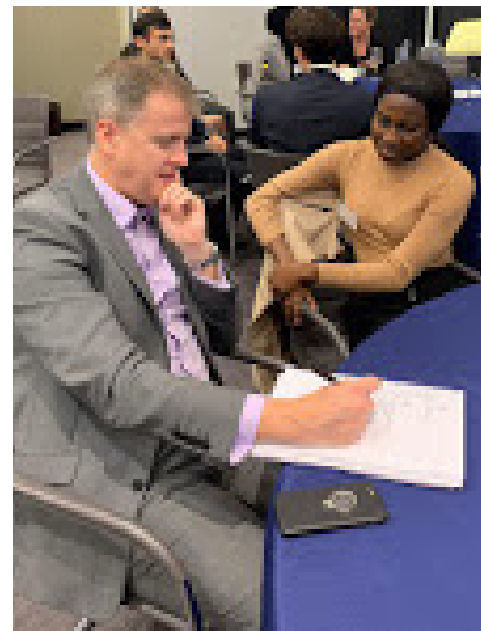

How you can get involved:

We need your continued support as we expand the programme this year. Here's how you can help:

- Know how many mentors your firm is offering to support the programme.
- Support us by participating in our virtual events and networking sessions.
- Get your firm involved by offering work experience in April 2021.
- Provide information on your firm's internal recruitment processes to help us better equip students.
