

## PERSONALITY BRIEF LT COL SIMON OXLEY MBE RE

### **SO1 Regional Infrastructure Cell South West –**

#### **Lt Col Simon Oxley MBE**

Lt Col Simon Oxley assumed the role of SO1 RIC SW in Nov 20 focusing on all Hard and Soft facilities management across the South West region.

Prior to that he held the post of 2IC for 66 Wks Gp in Chilwell and was heavily involved in the initial support to the NHS through Op RESCRIPT seeing the development and roll out of Nightingale hospitals across UK along with Testing facilities both mobile and fixed. During this time Lt Col Oxley was also engaged with other UK Resilience tasks (Of note support to Whalley Bridge) and support to other Govt agencies during Natural disasters across the globe.

Before arriving in Chilwell he held the post of Officer Commanding 534 STRE as well as holding the position of the Senior Estates Facilities Manager at RAF Marham where he was heavily involved in the Infrastructure development prior to the arrival of the F35.

His previous posts have included the Senior Estate Facility Manager in Brunei and Delivery Manager in British Forces South Atlantic Islands. His last post within 170 Infra Sp was as the GE (Acting OC) for 517 STRE (Wks), 66 Wks Gp and in 2011 was awarded an MBE for work in support of the Afghanistan Road Improvements Project.

He is married to Sam and they both enjoy exploring the great outdoors with their dog Monty.
