Impact Report

This new annual Impact Report pulls together information about our key efforts and their impact to date – download it [here](#).

No Space for Racism

The recent rise in Islamophobia, anti-Semitism and general anti-immigration views is concerning for many of those working within our industry, especially those who feel directly threatened by racism. This is creating new challenges for firms as they seek to provide support and reassurance to all employees and to reconcile potentially differing points of view. See the resources [here](#).
